

Sample PDF for URL Extraction Testing

This PDF document is designed to test the URL extraction script.

Here are some URLs embedded within the text:

- Included URL 1: <http://www.sampledomain.com>
- Included URL 2: <https://subdomain.sampledomain.com/path>
- Excluded URL 1: <http://www.example.com>
- Excluded URL 2: <https://video.example.com/watch>
- Excluded URL 3: <mailto:info@example.com>
- Excluded URL 4: <file:///C:/Users/Public/file1.txt>
- Excluded URL 5: <http://www.otherdomain.com>

This document includes a variety of URLs to trigger the generation of all four CSV files by the script.
